

For Immediate Release:

Accumen Forms Performance Partnership to Drive Healthcare Value with The CEO Advisory Network

Former CEOs of Health Systems Including Catholic Healthcare Partners, Cleveland Clinic, and PeaceHealth Focus on Initiatives to Drive Better Patient Care

SAN DIEGO, CA, June 20, 2018 – Performance improvements to drive value and better patient care are key initiatives for Accumen Inc., the nation's leading performance company, and The CEO Advisory Network, that is comprised of former chief executives of leading healthcare systems including Catholic Healthcare Partners, Cleveland Clinic, and PeaceHealth along with others across the US with more than 150 years of combined leadership experience. As of June 1, 2018, Accumen is now a business affiliate/partner with The CEO Advisory Network.

Strong alignment between Accumen and The CEO Advisory Network exists in collaborating to bring high-value services to hospitals and health systems. Accumen uses a comprehensive approach to help hospitals and health systems discover the best tools to create real, meaningful, measurable, and sustainable results in clinical laboratory supply chain, productivity, patient blood management, outreach, and imaging from people to process to technology. Accumen's clients can achieve improvements of 15-20% in operational effectiveness, patient safety, physician network service and more, simultaneously. "The value of this partnership lies in the passion and experience of both The CEO Advisory Network and Accumen's team, who possess diverse skills inside and outside of healthcare, value commitments to performance improvement and understand that patients as people are at the center of everything," says Jeff Osborne, CEO and President of Accumen.

The CEO Advisory Network is a network of senior healthcare executives that offers interim staffing, performance services, and CEO education to leading c-suite healthcare executives. Their mission is to provide experiential solutions, leadership education and interim staffing as an affiliate with industry-leading organizations with a goal of successfully transforming health systems, hospitals, and medical groups in a dynamic climate. "We are proud to be partnering with Accumen, a company committed to enhancing patient care through the acceleration of clinical performance improvement methods utilizing proven approaches and best practices. Their expertise and commitment to building sustainable performance improvement systems aligns with our mission of successfully improving and transforming health systems, hospitals and medical groups in today's challenging environment" says Frank Lordeman, Senior Managing Partner with the CEO Advisory Network and former COO of the Cleveland Clinic Foundation.
