

Personalized C-Suite Interim Leadership Solutions

PROVEN LEADERS

Our executives have served prestigious, iconic organizations like the Cleveland Clinic. They have chaired national organizations and are highly respected leaders by their peers.

PERSONALIZED SERVICE

Our team, along with our highly involved Partners, will work with you to quickly assess your needs and the steps required to keep your organization on the right track or to help you set a new course.

RESULTS DRIVEN

We have the experience and ability to solve the major problems healthcare organizations are facing today.

INVOLVED EVERY STEP OF THE WAY

Our highly engaged Partners uphold the highest standards backed by a rigorous recruitment process when recruiting interim C-Suite leaders. They are recruited to not only fill a void when there is a new position created or an unexpected vacancy in a critical leadership role, but more so to ensure your organization has the time, talent and expertise to lead your organization as you search for your next long-term executive leader. Fundamental to our philosophy is our steadfast requirement that our leaders are capable of quickly assessing organizational challenges while developing solutions, inspiring your management team to lead the organization, stabilizing obstacles and driving the results you want.

- High-quality healthcare today requires proven experience, market savvy and highly engaging leaders. **That's where CEO Advisory Network's experienced leaders can help you.**
- When there is a leadership void, the organization's operational and strategic issues are often put on hold and or fall behind. **That's where CEO Advisory Network can provide the strategic leadership you need.**
- Our team is thoughtful, thorough and focused on your needs. **At CEO Advisory Network, your goals are our goals.**

UNIQUE PARTNER SUPERVISION

Unlike similar organizations, CEO Advisory Network's model places an interim executive in your organization with an assigned Partner to provide counsel, supervision and leadership support. The interim executive's role is to achieve outcomes by developing strategy, motivating staff and managing the work. This unique relationship ensures that our client's goals and needs are met during the entire engagement.

Dedicated to Your Success

HIGH STANDARDS

We recruit only highly qualified executive leaders and are committed to overseeing the process to ensure that your goals are met, and the engagement is a success.

EXCELLENT RESULTS

Our team of experts are experienced and proven at developing strategies, creating solutions and achieving results.

FOCUSED ON YOUR NEEDS

We provide personalized solutions that focus on providing your organization with the right executive leader to meet your needs.

CEO Advisory Network interim executive leaders are highly adept at working closely with a healthcare organization's governance leadership as well as with operational, clinical and financial executive management.

Regardless of the challenges facing our clients, our team of experts are experienced and proven at handling a variety of challenges from poor financial performance, quality improvement, clinical excellence to cultural and operational enhancements.

Focus on Healthcare

- CEO Advisory Network Partners have deep-level experiences and expertise having served in senior executive positions in a variety of prestigious healthcare systems.
- We focus solely on providing experienced senior level healthcare executives to organizations in need of temporary C-Suite support and leadership.
- If you are in need of a talented and innovative interim C-Suite executive, our Partners will assess your needs, work with you to develop a plan and match you with an executive that will complement your leadership team and meet your organizational goals.
